

Thursday 25th October 2019

Dear Parents/Carers,

Our topic next term is based on our History unit **The Tudors**. For details of the History curriculum this term please see the attached Knowledge Organiser.

Below is a summary of what we will be covering in our other subjects. A more detailed explanation of what will be taught can be found on the Year 3 'Connected Curriculum' document on the school website.

In English we will be studying 'Portal stories' as our Fiction unit and diary entries as our Non-fiction unit. In Mathematics they will continue to work on Addition and Subtraction before moving onto Time. In Science we will be learning about Rocks, which will include learning how fossils are formed and learning the different types of rock (See Knowledge Organiser) In French children will learn to read and match colours, write numbers to 10, and say and respond to simple greetings.

In Art and DT children will learn to sew a decoration and make packaging for it. Our RE we will be learning about Christmas and what it means to Christians as well as what it means to non-Christians. In Music we will learn a new song in classes. Lessons will be focused on following a melody, identifying a beat and recognizing changes in dynamics, timbre and pitch. Our PSHE topic is 'Celebrating Difference'. We will be thinking about how to listen to and show respect for the views of others.
